

National Credit Union Administration

§ 704.2

(1) A complete description of the activities with specific examples of how a credit union will conduct and account for them, and how they will benefit a Federal credit union;

(2) A description of any risks to a Federal credit union from participating in the program; and

(3) Contracts that must be executed by the Federal credit union.

(d) A Federal credit union need not obtain individual written approval to engage in investment activities prohibited by this part but permitted by statute where the activities are part of a third-party investment program that NCUA has approved under this section.

APPENDIX A TO PART 704—MODEL FORMS

APPENDIX B TO PART 704—EXPANDED AUTHORITIES AND REQUIREMENTS

AUTHORITY: 12 U.S.C. 1766(a), 1781, 1789.

SOURCE: 62 FR 12938, Mar. 19, 1997, unless otherwise noted.

§ 704.1 Scope.

(a) This part establishes special rules for all federally insured corporate credit unions. Non federally insured corporate credit unions must agree, by written contract, to both adhere to the requirements of this part and submit to examinations, as determined by

NCUA, as a condition of receiving shares or deposits from federally insured credit unions. This part grants certain additional authorities to federal corporate credit unions. Except to the extent that they are inconsistent with this part, other provisions of NCUA's Rules and Regulations (12 CFR chapter VII) and the Federal Credit Union Act apply to federally chartered corporate credit unions and federally insured state-chartered corporate credit unions to the same extent that they apply to other federally chartered and federally insured state-chartered credit unions, respectively.

(b) The Board has the authority to issue orders which vary from this part. This authority is provided under Section 120(a) of the Federal Credit Union Act, 12 U.S.C. 1766(a). Requests by state-chartered corporate credit unions for waivers to this part and for expansions of authority under Appendix B of this part must be approved by the state regulator before being submitted to NCUA.

§ 704.2 Definitions.

Adjusted trading means any method or transaction whereby a corporate credit union sells a security to a vendor at a price above its current market price and simultaneously purchases or commits to purchase from the vendor another security at a price above its current market price.

Asset-backed security (ABS) means a security that is primarily serviced by the cashflows of a discrete pool of receivables or other financial assets, either fixed or revolving, that by their terms convert into cash within a finite time period plus any rights or other assets designed to assure the servicing or timely distribution of proceeds to the securityholders. This definition excludes mortgage related securities.

Capital means the sum of a corporate credit union's retained earnings, paid-in capital, and membership capital.

Capital ratio means the corporate credit union's capital divided by its moving daily average net assets.

Collateralized mortgage obligation (CMO) means a multi-class mortgage related security.
